## Fraud Warning

**If you make a payment to this payee and it turns out to be a scam, it's unlikely your money will be recovered. So if you're not sure, don't risk it**

Before sending your money make sure it's not a scam;

- Is someone you don't know pressurising you to make this payment?
- Have you been contacted by someone requesting you to move or transfer money to another account?

Your Bank or any other reputable organisation will never ask you to move money, scammers will. If you're not sure, don't proceed! For more information, visit the security section on our website.

**By signing below you confirm you are happy to proceed with this instruction.**
